The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
3-304.14	There were no sanitizer buckets set up and wiping clothes laying on various surfaces dirty. Store wiping cloths in a sanitizing solution between use.	5/3/2013
4-301.14	The main hood is not functioning properly because the hood filters are not installed. They are not installed because the manager states they don't fit right and they fall out. Repair the hood so that the hood filters may be reinstalled without falling out. Provide an approved ventilaton hood for all required cooking equipment.	5/3/2013
4-501.11	Repair the broken Vlctory freezer. Food is not staying frozen.	5/3/2013
5-205.11	Discontinue putting dirty knives and/or utensils in the kitchen hand sink. Handsink was not available for use. Make sure the handsink is always available.	5/3/2013
6-301.11	The soap dispenser in the warewashing area is clogged and didn't dispense. Fix. Make sure all handsinks are supplied with soap.	5/3/2013
